

WOMAN IS SEIZED BY GANG IN STREET

Young Mrs. Manuel Dragged
Into Lot and Father, Re-
sisting, Is Stabbed.

POLICE CAPTURE ONE.

"Big Nose" Ed Anderson Identified
by Both Victims as Leader of
Assailants—Others Escape.

"Big Nose" Ed Anderson, leader of a gang which has made the "Lion's Den" of Williamsburg a terror, was in the Lee Avenue Police Court today charged with assault. Edward Jones, of No. 23 North Ninth street, left his young married daughter, Mrs. Anna Manuel, at the corner of Driggs avenue and North Ninth street last night while he stepped into a store to get a cigar. He had hardly left her when he and the store-keeper were startled by loud screams. Rushing out they saw her being dragged toward a vacant lot by five or six men. She was struggling to free herself and they, while they carried her out of the lights of the street, were trying to stifle her cries. Jones ran after the man, overtook them in the lot and in the fight which followed, was stabbed in the wrist. The storekeeper called for help and when the police arrived the last of the gang was disappearing in the fastnesses of tenements which comprise the "Lion's Den." Anderson was captured by the police-
man and identified by Jones as the man who stabbed him, while Mrs. Manuel, who is only nineteen years old, said he was the leader of the gang who had dragged her off the street.

ACCUSED NOT ON THE ROLLS

A cablegram just received from London by the Christian Science Publication Committee in this city gives the following information concerning Dr. Adeock, who, according to a London despatch, is under arrest for manslaughter in connection with the death of Major John Nicholas White. "Adeock was treated for the habit of using morphine. He professes an interest in Christian Science, but is not a member of the church, nor was he a practitioner in the White case." It is claimed that the charge of manslaughter brought against Dr. Adeock must be upon some other ground, rather than that he was attempting to practise Christian Science upon Major White. Also that the criminal nature of the report which says that Dr. Adeock is a Christian Science practitioner is established from the fact that his name does not appear in the list of accredited Christian Science practitioners, which is published monthly in the Christian Science Journal.

SWIFT'S DRIVERS GO OUT ON STRIKE

Discharge of One Employee
May Lead to General
Brotherhood Trouble.

Fifteen drivers for Swift and Com-
pany, the meat packers, went on strike
last midnight. They are members of
the International Brotherhood of
Teamsters, and it is feared that a gen-
eral strike may be ordered unless the
company grants their demands. The
trouble arose over the discharge of
Charles Newman, a driver, after a dis-
pute with the stable foreman. Supt.
James Fitzgerald says the driver was
insubordinate, used profane language
and refused to obey orders. The union
maintains that Newman was over-
worked and unable to report for
duty when ordered.

Nature's Laxative the Best

Many Are So-Called "Natural"
There are many Laxatives on the market
that are often styled "Natural" because
of the well-known fact that the Laxative
which Nature gives us is the best. Such
ones are constantly coming up, but soon
disappear because in reality they are man-
ufactured, and can never attain the inimit-
able merits of the product of Nature.
HUNYADI JANOS, the genuine NATURAL
Laxative Water, has stood at the head for
nearly half a century as the ONLY Laxa-
tive whose established reputation is its best
recommendation. It remains always the
standard, because it is NATURE'S remedy
in its original form, pure and simple, in
no way dependent, as the others are, on
artificial composition. At all Druggists.
Try it.

PREPARED FOR COFFIN, WOMAN FOUND ALIVE.

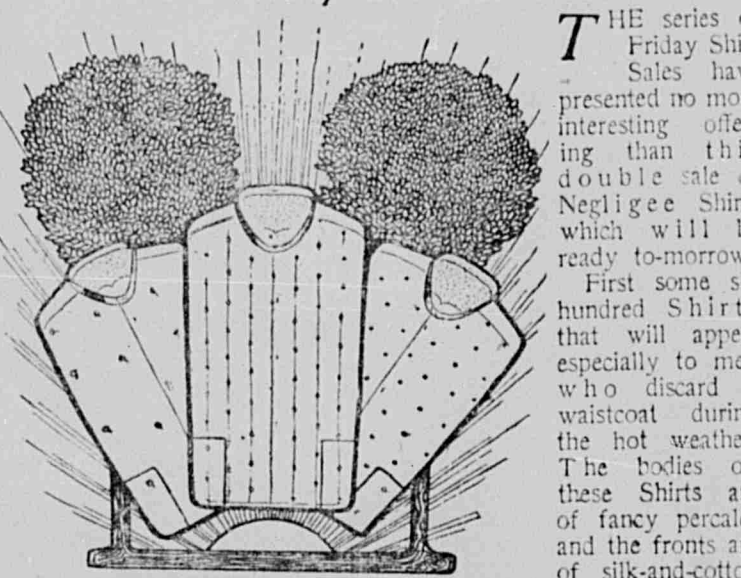

MIDDLEBORO, Mass., May 17.—While
the body of Mrs. Bertha Haskins, wife
of John A. Haskins, who was believed
to have died, was being prepared for
burial yesterday she suddenly revived
and uttered a faint cry. The funeral

arrangements were called off and Mrs.
Haskins may yet recover. The woman,
who has pneumonia, is living with the
family of William Nichols, on Oak street.
During her illness she was attended by
Dr. T. S. Hodgson, of South Main street. He
and the nurse, Mrs. T. P. Cleverly, were
greatly surprised when the woman
thought dead was found to be alive.
Her breathing had ceased, it was said,
and there was no perceptible action of
the heart.
